Principal's Desk

Dear students,

"The difference between a flower and a weed is a judgement"

Of late I have been using this platform to throw some light on issues that you commonly come across in your student and college life. Many of you might not know how to handle such issues, so henceforth in each of my columns I would be addressing a matter that you might experience in your 2 years' journey in the campus.

It is very common among you and your friends to call each other by nicknames and pet names - kulla, dumma, and most often the nick names are based on your friend's appearance or some of their behaviours - labelling soft people as Gandhi, strict people as Hitler. Have you ever asked

your friend how does he/she feels when you call them by those names? Many may seem okay or might not object in a small group, but what they don't say is that it affects them to be called by names shaming their body or their trait. In fact, it leaves a deep impact on them which they might not be able to recognise or admit openly, but a fat person being called dumma, always is hesitant when he or she has to wear new clothes and at least once (often always) worries whether the new dress is making him/her look fat or not. It leaves a deep impact in the person's mind and he/she is always aware of their supposedly short coming and so much so that it might also lead to irreparable emotional damage to the person. There are enough instances wherein people are not confident about their body, skin colour or even a genetic trait that they try to overcome it through all possible ways and in the process become more and more insecure about it and come out none the wiser. It is not just these nick names but simple harmless gossip we talk about others also has a bearing on the personality of an individual. The small talks we have – "Oh he is a Casanova" or "She is dominating" which might seem a casual remark might cause mental stress that hinders their confidence (sometimes permanently). The following short story will be able to explain why it is important to not to be judgemental about others

Once in a village there was an old man who didn't like his young neighbour. So, he spread rumours saying that his neighbour was a thief. One day a theft happened in the neighbourhood and because of the rumour everyone doubted the young man. As a result, he was arrested. Later after investigation, the young man was found to be innocent and released from the police custody. The young man felt humiliated as he walked back to his home and decided to sue the old man and as such filed a case in the court for wrongly accusing him. On the date of the hearing, in the court when the judge asked the old man about accusing the young man and spreading rumour about him, the old man replied that they were just comments and that it did not harm anyone. Before passing the judgement for the case, the judge told the old man to write all the things the old man had said about the young fellow on a sheet of paper and cut that up into small pieces. The judge further told the old man to throw those pieces of paper out, on his way home. The old man left and did as he was asked to do.

The next day before giving out the judgement, the judge told the old man to go out and gather all the pieces of paper that were thrown out by him yesterday. The old man was shocked and said that he couldn't do it as the wind would have spread them in all places.

The judge replied that the comments passed by the old man about his neighbour also would have passed on from person to person and destroyed his honour to such an extent that it would be impossible to be fixed.

Being opinionated, judgemental, prejudiced about others is natural but to have an open mind or to think from the other person's perspective, empathising with someone suffering is the most difficult task.

Which is the right way to follow of the above two?

Prejudice, on one hand masks our ability to be unbiased and furthermore does not give the other person a chance to explain his/her view on the other hand the turmoil a person has to go through because of our mindless talk is another ordeal. We are aware body conditions – being fat, short, dark fair is not our choice and genetic and moreover there is no standard size, colour, height weight or whatever else are measured with respect to our body so to tease anyone for being so is unacceptable and we should learn to accept people as with all their appearances. Speaking of gossip each and every behaviour a person exhibits has a previous experience that would have influenced him/her to behave in that manner, next time you pass comments on others (even if it is an unintentional one) take a 3 step verification process – first whether it true, secondly passing such comments is really necessary and lastly when it is passed does it help the person about whom you are speaking, if it is no on all the 3 occasions you have to drop down the comment then and there. Mahatma Gandhi once said - **"Keep your thoughts positive because your thoughts become your words. Keep your words positive because your words become your behavior. Keep your behavior positive because your behavior becomes your habits. Keep your habits positive because your habits become your values. Keep your values positive because your values become your destiny"**. So remember, your comments will shape your destiny as well as others.

A note from the editors...

Everything that comes to us, comes to pass or, more accurately, for us to pass on. Not just the money in our pocket but objects, ideas and even opportunities.

Everything comes to us, so that at the right moment, we can pass them on. Being in the flow means being aware that the river of life is flowing to us at every moment. In this flow, we have to also accept the flow of knowledge and wisdom imparted by external power and also by experience.

We at SIPUC Mysuru, strongly believe in imparting knowledge and wisdom, both by external power and also by experience. Our 11th edition of Anavarana-our College Newsletter reflects the college's and the students' efforts in spreading and imbibing the empirical knowledge. Anavarana is formulated in such a way that, its legacy, its mission, events and programmes.

Anavarana also tries to build a rapport between the scholastic developments of our students and the readers, which we accredit, would inspire the readers to improve their involvement in the process of self-motivation.

We also take this opportunity to express our sincere gratitude to our management for the continuous support. We also acknowledge our dedicated Principal, Staff members and students for their valuable support in making this newsletter unique.

STUDENT DEVELOPMENT PROGRAMME

3. National Librarian's day

On the occasion of 'National Librarians' Day' a thought provoking book review competition was organized for our students, on August 4th 2023. Our Principal Smt. Archana Swamy with Judges Mrs. Vijayashree, senior librarian and Mr. Kiran S. Biology lecturer of the same college inaugurated the

competition by offering floral tribute to Dr. Ranganathan's portrait. Out of 21 participants delivering their precise review about the books they had chosen, 3 students i.e., Anish N Bhat (I Place), Ibbani K.A. (II Place) & Kundan Jain (III Place) emerged as winners. Below paragraphs gives an insight into the winners' view of the books.

'The Alchemist'

Anish N Bhat,
2nd PU 'D'

'The Alchemist' is written by Paulo Coelho, a Brazilian novelist and lyricist. The Alchemist is a fable about following your dreams and to realize that one's destiny is a person's only obligation.

This is the story of a young boy from the Spanish province of Andalusia who dreams to travel. He left his home at a young age and became a shepherd so that he could travel different places. After becoming a shepherd, the boy was getting recurrent dreams about him finding a hidden treasure. One day he accidentally meets an old man who tells him where the treasure is. From his village, he journeys to the exotic markets of North Africa and then into the Egyptian deserts in search of the hidden treasure. Just when he was about to give up, he encounters an alchemist who completely changes the direction of the story. To find out whether he finds the treasure or not, do give this book a read.

The conversation of the young boy with the old man, the Alchemist and Fatima gives a wide range of philosophical insights to the readers. The love story of Fatima and the young boy can be considered as the

epitome of true love which says that love is not about being together all the time, but its about sacrificing and encouraging one another to pursue each other's dreams. The way the alchemist guides the young boy is a perfect example of how a guru should guide his disciple.

Beyond its captivating plot, the Alchemist offers a wealth of philosophical and spiritual insights. It encourages the readers to reflect on their dreams and desires, urging them to embrace the true purpose of life. It stimulates us to listen to the whispers of our hearts and have the courage to pursue our dreams no matter how daunting they are. This timeless masterpiece reminds us that the greatest treasures are found within ourselves and the journey itself is as significant as the destination.

The vocabulary used is pretty simple which can be understood easily. The author has conveyed his message in a beautiful manner. Overall it was an excellent book and a must read. I would like to end this review by quoting a line from the book. "Everybody seems to have a clear picture of how others should lead their lives, but none about his/her own". So rather than thinking too much about what other people say, go ahead with what your heart says. That's what the Alchemist is all about.

The 10th Seshadripuram Educational Trust Merit Scholarship Award Ceremony

24th August 2023, has laid an everlasting mark in the list of events of our college. The encouraging 10th Seshadripuram Educational Trust Merit Scholarship Award Ceremony was organized on this magnanimous day. Our II PU toppers were felicitated for their achievement of securing State Ranks in the PU board examination. Similarly the PU students were given away the cash prizes for their distinction and above scores in their 10th standard examination. Smt. Nemichanra, Retd. General Manager, Hindustan Aeronautics Limited and a profound author inculcated in the students the **"attitude of expressing gratitude"** and insisted that the students should feel grateful for what they are, by drawing a line of comparison with the poor and underprivileged children who flourish with limited benefits in life. Later, Nadoja Dr. Wooday.P. Krishna, our Honorary General Secretary delivered presidential speech by remembering the way the organization has grown and asserted that the students should take initiatives to come forward in a better way.

The ceremony was marked by felicitating the students who have emerged as rank holders, in the PU examination for the academic year 2022-23 and were honored with a cash prize of Rs. 10,000/-, certification and memento for their admirable achievement. 14 students of present first PUC were given free seat in the college for their commendable percentage in 10th Board Examination and also 24 students were given scholarship of Rs. 10,000/- for the same. 48 students of I PUC were also given appreciation certificates for their remarkable score in the SSLC examination.

To honor these outstanding achievers our Institution had organized a Felicitation program with High tea on July 6th, 2023 at Seshadripuram Degree College, Yelahanka, Bangalore, where all the Seshadripuram PU Colleges' Principals and rank students were felicitated.

ಕನ್ನಡ ಸಾಹಿತ್ಯದ ಹೆಸರಾಂತ ಸಾಹಿತಿಯಾದ ಕೆ.ಪಿ. ಪೂರ್ಣಚಂದ್ರ ತೇಜಸ್ವಿ ಅವರು ಬರೆದಿರುವ ಜುಗಾರಿಕ್ರಾಸ್ ಕಾದಂಬರಿಯಲ್ಲಿ ನಾನು ಕಂಡುಕೊಂಡಿರುವ ಅಂಶಗಳನ್ನು ಈ ರೀತಿ ಓದುಗರ ಮುಂದಿಡುತ್ತಿದ್ದೇನೆ. ಕೆ.ಪಿ. ಪೂರ್ಣಚಂದ್ರ ತೇಜಸ್ವಿ ಅವರು ಬರೆದಿರುವ ರೋಚಕ ಕಥೆಗಳನ್ನೊಳಗೊಂಡ ಕೃತಿಗಳಲ್ಲಿ ಜುಗಾರಿ ಕ್ರಾಸ್ ಕಾದಂಬರಿಯೂ ಒಂದು. ಇದೊಂದು ಸಾಮಾಜಿಕ ಕಾದಂಬರಿಯಾಗಿದೆ. ಈ ಕಾದಂಬರಿಯಲ್ಲಿ ಸಹ್ಯಾದ್ರಿಯ ಕಾಡುಗಳ ತಪ್ಪಲಿನಲ್ಲಿ ನಡೆಯುತ್ತಿದ್ದ ವಿಚಾರವನ್ನು ಹೇಳಲಾಗಿದೆ. ಜುಗಾರಿಕ್ರಾಸ್ 209 ಪುಟಗಳನ್ನು ಹೊಂದಿದ ಕಾದಂಬರಿಯಾಗಿದೆ ಹಾಗೂ ಇದು 24 ಗಂಟೆಗಳಲ್ಲಿ ನಡೆಯುವ ಕಥೆಯೇ ಆಗಿದೆ. ಅಂದರೆ ಇಡೀ ಕಾದಂಬರಿಯ ಕಥೆ ಕೇವಲ 24 ಗಂಟೆಗಳಲ್ಲಿ ನಡೆಯುವಂತದ್ದು.

ಜುಗಾರಿಕ್ರಾಸ್ ಸಹ್ಯಾದ್ರಿಯ ಸಾಮಾಜಿಕ ಸ್ಥಿತ್ಯಂತರಗಳ ನೋಟವನ್ನು ಒಂದೇ ಒಂದು ಮಿಂಚಿನಲ್ಲಿ ನಮಗೆ ತೋರಿಸುತ್ತದೆ. ಜುಗಾರಿಕ್ರಾಸ್ ಎಂಬುದು ಒಂದು ಸ್ಥಳದ ಹೆಸರು. ಧರ್ಮಸ್ಥಳ, ಸುಬ್ರಹ್ಮಣ್ಯ, ಕೊಲ್ಲೂರು, ಕಾರ್ಕಳ ಉಡುಪಿ ಮುಂತಾದ ಕಡೆಗೆ ಹೋಗುವ ರಸ್ತೆಗಳನ್ನು ಹೊಂದಿದ ಒಂದು ಕ್ರಾಸ್. ಇದನ್ನು ಜುಗಾರಿಕ್ರಾಸ್ ಎಂದು ಕರೆಯಲಾಗುತ್ತದೆ. ಅಲ್ಲಿನ ಕಾಡುಗಳಲ್ಲಿ ನಡೆಯುವ ಕಾಳದಂಥೆ ಅಂದರೆ ಶ್ರೀಗಂಧ, ಚಕ್ಕಿ ಮರ, ಏಲಕ್ಕಿ ಮುಂತಾದ ಬೆಲೆಬಾಳುವ ವಸ್ತುಗಳ ಕಳ್ಳಸಾಗಾಣಿಕೆ ನಡೆಯುವುದರ ಕುರಿತಾಗಿ ತೇಜಸ್ವಿ ಅವರು ಹೇಳಿದ್ದಾರೆ.

ಇವೆಲ್ಲದರ ಹಿಂದಿರುವ ಬಾಸ್ ಅಂದರೆ ಮುಖ್ಯ ವ್ಯಕ್ತಿ ಯಾರು ಎಂಬುದನ್ನು ಯಾರಿಗೂ ತಿಳಿಯದೆ ನಿಗೂಢವಾಗಿರುತ್ತದೆ. ಅದನ್ನು ತಿಳಿಯಲು ಹೊರಟವರು ನಿಗೂಢವಾಗಿ ನಾಪತ್ತೆಯಾಗುತ್ತಿರುತ್ತಾರೆ.

ಆ ಕಾಡಿನ ಒಳಗೆ ದೋಣಿಹೊಳೆ ಎಂಬ ಹೆಸರಿನ ಒಂದು ಹೊಳೆಯಿರುತ್ತದೆ. ಆ ಹೊಳೆಯ ದಂಡೆಯಲ್ಲಿ ಬೆಲೆಬಾಳುವ ಕೆಂಪು ಕಲ್ಲುಗಳು ಸಿಗುತ್ತಿರುತ್ತವೆ. ಹೊರ ಪ್ರಪಂಚಕ್ಕೆ ಗೊತ್ತಾಗದ ರೀತಿ ಒಳಗೊಳಗೆ ಇದರ ವ್ಯವಹಾರಗಳು ನಡೆಯುತ್ತಿರುತ್ತವೆ. ಅದಲ್ಲದೆ ಈ ಕಾಡಿನ ಒಳಗೆ ಗಾಂಜಾ ಬೆಳೆಗಳನ್ನು ಬೆಳೆಯಲಾಗುತ್ತಿರುತ್ತದೆ. ಅಲ್ಲಿರುವ ಅರಣ್ಯ ಇಲಾಖೆಯ ಕರ್ತವ್ಯ ನಿರತ ಅಧಿಕಾರಿಗಳೂ ಸೊಲ್ಲೆತ್ತದಂತೆ ಅವರ ಮೇಲೂ ಹಿಡಿತ ಸಾಧಿಸಲಾಗಿರುತ್ತದೆ. ಕುಳಿತ ಸ್ಥಳಕ್ಕೆ ಇಂತಿಷ್ಟು ಮೊತ್ತವು ತಲುಪಿಸುವ ಪ್ರಕ್ರಿಯೆ ಭೂಗತ ಲೋಕದ ಒಂದು ಮುಖವನ್ನು ಪರಿಚಯಿಸುತ್ತದೆ. ಇಂಥಾ ಒಂದು ಕಾಳದಂದೆಯ ಬಲೆಯೊಳಗೆ ಕಥಾನಾಯಕ ಸುರೇಶ ಮತ್ತು ಅವನ ಹೆಂಡತಿ ಗೌರಿ ತಮಗೆ ಅರಿವಿಲ್ಲದೆಯೇ ಸಿಕ್ಕಿಕೊಳ್ಳುತ್ತಾರೆ. ಇದರ ಅರಿವಾದಾಗ ತಮ್ಮ ಪ್ರಾಣ ಉಳಿಸಿಕೊಳ್ಳಲು ಹಾಗೂ ತಮ್ಮ ಹಿಂದೆ ಬಿದ್ದಿದ್ದ ಕೊಲೆಗಡುಕರಿಂದ ತಪ್ಪಿಸಿಕೊಳ್ಳಲು ಪರಿಪಾಟಲು ಪಡುತ್ತಾರೆ.

ರತ್ನಗಳ ಮೂಲವನ್ನು ದಾಖಲಿಸಿರುವ ಒಂದು ಪುಸ್ತಕ ಈ ಇಡೀ ಕಥೆಯ ಕೇಂದ್ರ ಬಿಂದುವಾಗಿ ಕಂಡು ಬರುತ್ತದೆ. ಜೊತೆಗೆ ಮಲೆನಾಡು ಪ್ರದೇಶ, ಅಲ್ಲಿನ ನಿತ್ಯ ಹರಿದ್ವರ್ಣದ ಕಾಡು, ಏಲಕ್ಕಿ ಬೆಳೆ ಮುಂತಾದವುಗಳ ಮೂಲಕ ಆ ಪ್ರದೇಶದ ಸಾಮಾಜಿಕ ಜೀವನದ ಪರಿಚಯವನ್ನು ಈ ಕಾದಂಬರಿ ಮಾಡಿಕೊಡುತ್ತದೆ. ಕಾದಂಬರಿಯ ಎರಡನೆಯ ಭಾಗದಲ್ಲಿ ಮೇದರಳ್ಳಿಯ ಅವಸಾನ ಎನ್ನುವ ಭಾಗವಿದ್ದು, ಅಲ್ಲಿ ಬಿದಿರು ಬುಟ್ಟಿಗಳನ್ನು ಹೆಣೆದು ಅದರಿಂದ ಬದುಕುವ ಮೇದರು ಒಂದು ಕಾಲದಲ್ಲಿ ತುಂಬಾ ಪ್ರಸಿದ್ಧಿಯನ್ನು ಪಡೆದು ನೆಲೆ ನಿಂತವರು. ಈ ಮೇದರಹಳ್ಳಿಗೆ ಟಿಪ್ಪೂ ಸುಲ್ತಾನನ ಕಾಲದ ಇತಿಹಾಸವಿದೆ ಎಂಬ ಮಾಹಿತಿಯೂ ಇಲ್ಲಿದೆ. ಅವರು ಹೆಣೆಯುತ್ತಿದ್ದ

ಬಿದಿರಿನ ಬುಟ್ಟಿಗಳು ಅಷ್ಟೊಂದು ಹೆಸರು ವಾಸಿಯಾಗಿದ್ದರೂ ಕ್ರಮೇಣ 60 ವರ್ಷಗಳಿಗೊಮ್ಮೆ ಬಿದಿರಿಗೆ ಬರುವಂತಹ ಮುಪ್ಪು ಎಷ್ಟೋ ಎಕರೆಗಳಲ್ಲಿರುವ ಬಿದಿರೆಲ್ಲವೂ ಕೂಡ ತೆನೆಬಂದು ಬಿದಿರಕ್ಕಿಯನ್ನು ಉದುರಿಸಿ ಒಣಗಿ ಸಾಯುವುದು ಮತ್ತು ಮಾರುಕಟ್ಟೆಗೆ ಅಭಿವೃದ್ಧಿಯ ಸಂಕೇತವಾದ ಪ್ಲಾಸ್ಟಿಕ್ ಬಂದು ಅತ್ಯಲ್ಪಸಮಯದಲ್ಲಿ ಜನರ ಮನವನ್ನು ಗೆದ್ದದ್ದು ಇದರಿಂದ ಅವರ ವೃತ್ತಿಯೇ ಕೊನೆಗೊಂಡು ಆ ಊರನ್ನು ಬಿಟ್ಟು ಬೇರೆ ಬೇರೆ ಕೆಲಸಗಳನ್ನು ಹುಡುಕಿ ಹೋಗುವುದು, ಹಲವರು ಕಾಳದಂದೆಯಲ್ಲಿ ಸಿಕ್ಕಿಕೊಳ್ಳುವುದು ಹೀಗೆ ಪ್ರಕೃತಿಯಲ್ಲಾಗುವ ಏರುಪೇರುಗಳು ಒಂದು ಇಡೀ ಊರನ್ನೇ ಅವಸಾನದಡೆಗೆ ತಳ್ಳಬಹುದಾದ ಸತ್ಯವು ಈ ಕಾದಂಬರಿಯಲ್ಲಿ ವಿಶೇಷವಾಗಿದೆ.

ಕಾದಂಬರಿಯನ್ನು ಓದುತ್ತಾ ಹೋದ ಹಾಗೆ ಮೈನವಿರೇಳಿಸುವ ಅನುಭವವಾಗುತ್ತದೆ. ಅಂಥಾ ಒಂದು ನಿಗೂಢವಾದ ರೋಚಕ ಕಾದಂಬರಿ ಇದಾಗಿದೆ. ಒಂದೊಂದು ಅಧ್ಯಾಯಕ್ಕೂ ಕಥೆ ಮುಂದುವರಿದಂತೆ ಕುತೂಹಲ ಕೆರಳಿಸುತ್ತಾ ಸಾಗುತ್ತದೆ. ಪರಸ್ಪರ ವೈರುಧ್ಯಗಳನ್ನೇ ಅದೃಶ್ಯ ತಂತುಗಳಿಂದ ಸಂಯೋಜಿಸುತ್ತಾ ಸಾಗುವ ಈ ಕಾದಂಬರಿ ಒಂದು ಅಸಾಧಾರಣ ಕೃತಿಯೆಂದೇ ಹೇಳಬಹುದು. ಶತಮಾನದ ಹಿಂದಿನ ಕಥೆಯನ್ನು ಒಳಗೊಂಡು 24 ಗಂಟೆಗಳಲ್ಲಿ ಅದನ್ನು ಪ್ರತಿಮಿಸುತ್ತದೆ.

ಒಟ್ಟಾರೆ ಹೇಳುವುದಾದರೆ ಪ್ರಾಣ ಹೋಗಬಹುದಾದ ಸಮಯದಲ್ಲೂ ಸುರೇಶನ ಧೈರ್ಯ, ಮುಂದಾಲೋಚನೆ, ತನ್ನ ಹಿಂದೆ ಬಿದ್ದ ಖದೀಮರ ಕೈಗೆ ಸಿಗದೆ ಮಿಂಚಿನಂತೆ ಕೂದಲೆಳೆಯಲ್ಲಿ ತಪ್ಪಿಸಿಕೊಳ್ಳುವ ರೀತಿ ಇವೆಲ್ಲವೂ ಜೀವನವನ್ನು ಎದುರಿಸಲು ಆಶಾವಾದ, ನಿರಾಶಾವಾದ ಇವೆಲ್ಲವುಗಳಿಗಿಂತ ಅದನ್ನು ಮೀರಿದ ಗಂಭೀರ ಎದೆಗಾರಿಕೆ ಇರಬೇಕು ಎಂಬುದನ್ನು ಈ ಕಾದಂಬರಿಯ ಮೂಲಕ ಕೆ.ಪಿ. ಪೂರ್ಣಚಂದ್ರ ತೇಜಸ್ವಿ ಅವರು ನಮಗೆ ತೋರಿಸಿಕೊಟ್ಟಿದ್ದಾರೆ.

Julius Caesar

ನಮ್ಮ ಕಾಲೇಜಿನಲ್ಲಿ "ಮಾನವ ಕಳ್ಳ ಸಾಗಾಣಿಕೆ ತಡೆ ದಿನಾಚರಣೆ" ಯನ್ನು ಆಚರಿಸಲಾಯಿತು. ಮಾನವ ಕಳ್ಳ ಸಾಗಾಣಿಕೆ, ಮಾನವ ಹಕ್ಕುಗಳ ಗಂಭೀರ ಉಲ್ಲಂಘನೆ, ಜಾಗತಿಕವಾಗಿ ಸಮಾಜಗಳನ್ನು ಪೀಡಿಸಿರುವ ಸಂಕೀರ್ಣ ಸಮಸ್ಯೆಯಾಗಿದೆ. ಇದು ಆಧುನಿಕ ದಿನದ ಗುಲಾಮಗಿರಿಯ ಒಂದು ರೂಪವಾಗಿದೆ ಆದ್ದರಿಂದ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಮನವರಿಕೆಯಾಗುವ ರೀತಿಯಲ್ಲಿ ತಂದೆ ತಾಯಿ ಬುದ್ಧಿ ಹೇಳಿದರೆ ಕೇಳದೆ ಗಲಾಟೆ ಮಾಡಿಕೊಂಡು ಮನೆ ಬಿಟ್ಟು ಹೋದರೆ ಮಕ್ಕಳನ್ನು ಹೀನ ಕೃತ್ಯಕ್ಕೆ ಹೇಗೆ ಬಳಸಿಕೊಳ್ಳುತ್ತಾರೆ ಎನ್ನುವುದನ್ನು ತಿಳಿಸಲಾಯಿತು. ಚೆನ್ನಾಗಿರುವ ಮಕ್ಕಳ ಕೈ ಕಾಲುಗಳನ್ನು ಮುರಿದು ಅವರಿಗೆ ಅನೇಕ ಮಾದಕ ದ್ರವ್ಯಗಳನ್ನು ನೀಡಿ ಮೂರ್ಛಗೊಳಿಸಿ ಭಿಕ್ಷೆ ಬೇಡುವ ವೃತ್ತಿಗೆ ತಳ್ಳುತ್ತಾರೆ, ಹಾಗೂ ನಿಮ್ಮ ದೇಹದಲ್ಲಿರುವ ಅಂಗಾಂಗಗಳನ್ನು ತೆಗೆದುಕೊಂಡು ನಿಮ್ಮನ್ನು ನರಕದ ಕೂಪಕ್ಕೆ ತಳ್ಳುತ್ತಾರೆ ಅದ್ದರಿಂದ ವಿದ್ಯಾರ್ಥಿಗಳು ನಿಮ್ಮ ಎಚ್ಚರಿಕೆಯಿಂದ ನೀವು ಬದುಕಿ, ಮನುಷ್ಯ ಜೀವನ ಸಿಕ್ಕಿರೋದು ನಿಮ್ಮ ಪುಣ್ಯ ಅದನ್ನು ಹಾಳು ಮಾಡಿಕೊಳ್ಳಬೇಡಿ ಎಂಬುದನ್ನು ಮಕ್ಕಳಿಗೆ ತಿಳಿಸಲಾಯಿತು.

Ek Bharath Shrestha Bharath

Our students had attended a 12 days' camp held at Jawahar Navodaya Vidyalaya, DMG Halli. Below is a write up sharing their experiences during the camp.

We the cadets of SIPUC Reevan D' Souza , Shreyas L Gowda and Prateeksha had attended the EBSB camp held by 3 KAR Girls Battalion from 12th to 24nd of June 2023 in Jawahar Navodaya Vidyalaya, DMG Halli. This was the best experience with all the cadets from different states who were present in the camp

learning their language and culture. The main aim of this camp was to gain the knowledge of other states and have a good communication skill within us.

So the first day we reached our camp spot with the provided trucks from the 3 KAR Battalion and we had our places allotted to stay and in the evening we had a safety and secure program and the time table for the upcoming days . In the last day the Mysore group cadets had to clean most of the things in the campus.

Our days would start at 6 AM and usually ended up to 11 PM as we had cultural events and cultural practices after dinner every day. There was no issue about food and facilities provided there, except the power supply. We had 2 breaks and 3 meal time and after lunch we had sports held for 2 hours daily and our Mysore group got the second place in throw ball. The groups present there were from Goa ,Uttarakhand and Karnataka. There were cadets from Manglore, Bangalore A and B , North Karnataka and

different cities of Uttarakhand.

In these days we had no drill practice, it was all about cultural practice and programs. We exchanged our traditions with each other from the cadets had arrived from Uttarakhand. There were JD's and JW's from Karnataka state. The best day was "BadhaKhana" where we had singing and dancing competition and Mysore won the singing competition and had a great dinner with a flashmob held where I was beatboxing in the event. Shreyas and I gave a performance using keyboard and tabala and the officers were impressed.

Our officers planned out for a trip where all the cadets were taken to Brindavan garden, Shrirangpatna temple, Mysore palace and the Chamundi hills. Where everyone had great fun

Faculty Development Programme

"Guru Brahma, Guru Vishnu, Guru Devo Maheshwaraha, Guru Sakshath Parabrahma Tasmai Shri Guruve Namaha" echoed in the seminar hall on 22nd July 2023, which was uttered by Shri S.Seshanarayan, Honorary Joint Secretary, Seshadripuram Educational Trust, who had appeared as the resource person for the workshop on **"Self Introspection – A way to success in life"**. He educated the teaching and non-teaching staff members about the topic. In the first session, Sir spoke about sub-conscious level and the guilt or regret which we carry with us for our entire life. He

visiting great places of our Mysore city.

At the end we all missed our NCC friends especially our Uttarakhand friends as they had arrived after a long journey.

This is how we enjoyed and learnt discipline in the camp that we go and make them a memorable one.

shared his own experiences in his life, and enlightened the difference between mind, intellect and soul. It was an interactive session where other lecturers also shared about some incidents of their life which was connected to the topic. In the second session, Sir spoke about super consciousness in human and how to realize that level by soul connecting to supreme soul.

In-house faculty development programme

Parent-Teacher's meeting

Our own physics lecturer Smt. Shilpavathi S., conducted an in-house Faculty Development Programme on 16th August 2023, on the topic GPS.

A total of 201 parents had turned up for the first parent-Teachers' meeting which was held on 16th and 17th of June 2023 to discuss the academic progress of the II PU students and also to discuss about their performance in the 1st test.

ACHIEVERS' COLUMN

Sheshadrians have always ventured out in many fields of their interest. This achievers' column is dedicated to list down such achievers who ventured out to other schools and colleges to explore and exhibit their talents to bring accolades to the college.

Our NCC students had participated in the National camp called 'Ek Bharat Shreshta Bharat Camp' which was held between 13th to 24th June, 2023 organised by 13 Karnataka Batallion NCC Mysuru. Out of 13 participants from Karnataka our College NCC Cadets have bagged medals and brought laurels to our College. From cultural camp **Prathiksha D** of II PUC (PCMB) bagged **2nd place** and **silver medal** in **singing competition** and **throwball**. From CATC camp **Reevan D'Souza** of II PUC (PCMC) secured **gold medal** as a '**Best Entertainer and Singer**' and also **Shreyas Gowda L** of II PUC (PCMC) obtained **gold medal** as '**Best instrumental player**'

Nischal of I PUC (PCMC) participated in **3rd state level Open Karate Championship** held in Malavalli and won **3rd place** and was awarded with a **trophy and a certificate**. It is a championship where a random participant can challenge openly and any participant who wish to accept the challenge has been given a chance to fight against the challenges.

Nagasiri of II PUC (PCMB) won **gold medal** and **Aradhana Santhosh** of I PUC (PCMC) won a **bronze medal** in 18th MTB state cycling championship held in Atria Institute of Technology, Bangalore.

Bhoomika K C of II PUC (PCMB) won **consolation and cash prize of Rs.1000/-** in the Essay Competition conducted by JSS Vidyapeeta Mysuru on the topic **ವನ್ಯಜೀವಿಗಳು ಮತ್ತು ಮಾನವ ಸಂಘರ್ಷ**

Ananya P Revankar of I PUC (PCMB) won **1st place and cash prize of Rs. 1000/-** in the drawing competition conducted by Byraveshwara College on the topic '**SWACHCH BHARATH**'

Far Away from Home

Anushka Accamma
II PU 'D'

The girl was sent far away
To dwell in a stranger's eye
Never got the things she desired nor the love she required
It was her darkest hour ever!

Having to stay away from home
Those nights had watched her cry and tussle
he days that didn't shine brightly
Made her feel lonely and gloomy.

Amidst all her agonies
She rose up and lived like a phoenix
Because faith never dies
To lead a better life

Will love find her again?
Will she ever smile again?
Will the night ever become dawn?

The Good Old Physics

'O' The good old physics,
Makes me to calculate the force of my kicks.
The football just wants to be kicked,
But the options in paper want to be ticked.

I calculate the string's expansion,
But they want tension.
I get it in my head,
Before I get a crown pain and go to bed.

Kinematics is fun,
But Newton got mechanics.
Not only Coulomb to bring electrostatics,
John the don who bought atomic physics.

The only man Nickola Tesla,
Made my life like a fluorescent light.
To hear the mellifluous voice of my beloved
This little things makes me elated.

The forgotten genius - Sir Nikola Tesla

Saraha
II PU 'A'

He was born in a poor family,
Yet he died poor with no family
There were a lot of peaks and valleys in his life trip
But were they all worth it?
He was born with intelligence
But was he successful during his last breath?
He had his siblings in his childhood
But only a pigeon was his friend, at the end
He is one of the reasons for current technology
But did he really get all the deserved glory?
Success comes to those who wait, he said
But where is the success he deserved or didn't he wait?
Once, when a reporter asked Albert Einstein that how does it
feel of being the most intelligent person in the world,
Einstein replied "I don't know, you'll have to ask Nikola
Tesla". That's the legacy Sir Nikola Tesla has left behind. On
July 10, 1856 in Croatia a child was born during a lightning
strom. When the nurse saw the child, she said that this child
will be the child of
darkness. Hearing this, the mother replied "No, he will be the

child of light". The child was none other than Nikola Tesla.
Well, his mother was right but the nurse was not wrong either.
Though he was a man of light but his life was full of darkness.
He is one of the main reasons for today's electrical technologies
and development but he was not remembered or given credit for
his inventions. He had a great memory which was an inherited
trait from his mother. His mother had Eidetic memory, she was
able to remember photos and also different poems perfectly.
Tesla was able to finish his studies easily with the help of this
ability. Once, when he was out for horse riding with his brother,
his brother accidentally fell from the horse and lost his life.
After this event, Nikola got cholera and was in its last stage.
Doctors had left their trials and god was their only hope. Tesla's
father who was a priest felt very sad that he would lose another
child of his. Nikola, looking at his sad father requests to pursue
engineering. His father agrees to his request telling "if this can
cure your disease, then of course you can pursue engineering".
Listening to this Tesla feels happy and he gets cured in few
days. Further he continues engineering and

after some years he drops out from his college for some reason.
On January 1879, Thomas Alva Edison invented "bulb". But
the challenge was to supply electricity in order to light those
bulbs in every house. Edison mainly worked with direct current
(DC), so after a few years he made facilities to supply direct
current to every house. But the problem was that DC can't flow
for more than 0.5 miles in distance. At the same Nikola at the
age of 28, joins Edison's company. As Tesla was working on
alternate current (AC), he bought this concept to Edison. But
Edison denied his concept and tells Tesla that, if he improves the

working of DC, he would in turn pay him 50000 dollars which
was a quite huge money at that time. Tesla agrees and
improves, the next day when he shows his works to Edison
and asks for his money, Edison tells that it was a joke, telling
"Tesla, you don't understand our American humor." Listening
to this Tesla resigns the job and thinks of opening his own
company, where he can work on AC and establish it world wide
as there were no limitations in it. This is when a huge war starts
between the two of them, famously called as "the war of the
currents". Tesla convinces George Westinghouse who was a
well known American entrepreneur. Then they start a new
company of AC current which runs successfully. But Edison
had his eyes on it and tried to stop Nikola and his company by
spreading fake news. Telling that AC is very dangerous to
people and he purposely killed many innocent animals to prove
it too. Like this Edison tried different ways to stop him but
Nikola was unstoppable. Times passed and Tesla lost all his
money as he was involved in many expensive and publically
failed electrical projects, which was between 1920 and 1935.
Tesla was also working on radio and X-ray which was stolen by
Guglielmo Marconi and W C Rontgen and both of them won
nobel prize for it. Poor Tesla went bankrupt and then gets
isolated in a hotel room. On January 7th, 1943 he was found
dead lying on the bed. He spent his last 5 to 6 years talking with
his only friend, which was a pigeon. Tesla mostly believed in
research more than development, which was one of the reasons
for Tesla's failure in life.

ಮೇಘ

ಮೌಲ್ಯ
ದ್ವಿತೀಯ ಪಿ ಯು 'ಎ'

ಮಳೆ ಹನಿಗೆ ಮನೆಯೇ ಮೇಘ,
ಭುವಿಯಲ್ಲಿ ಮಳೆಗುಂಟು ಜಾಗ,
ಸುರಿವ ಮಳೆಗೂ ಇದೆ ಶರ ವೇಗ,
ಕೇಳುವುದು ಇಂಪಾದ ಚಿಟಪಟ ರಾಗ,
ಮರ ಗಿಡ ಕಡಿದು ನಡಿಸಬಾರದು
ಜೀವನದಲ್ಲಿ ಯಾರು ಭೋಗ,
ಮೇಘವೂ ನಮ್ಮ ಬದುಕಿನ
ಬೇರ್ಪಡಿಸಲಾಗದ ಭಾಗ,
ಮಳೆಗಾಗಿಯೇ ಪ್ರಾರ್ಥಿಸುವರು
ಮಾಡುತ್ತ ಯಜ್ಞ-ಯಾಗ,
ಮರ ಗಿಡ ಬೆಳೆಸಿ, ಮಳೆಯಾದರೆ
ಭುವಿಯೇ ಸ್ವರ್ಗ ಆಗ,
ಅದುವೇ ನಮ್ಮೆಲ್ಲರ ಯೋಗ,
ನಮ್ಮೆಲ್ಲರ ಸ್ನೇಹಿತೆ ಮೇಘ..

ವಿದ್ಯಾಲಯ

ನಮ್ಮ ವಿದ್ಯಾಲಯ,
ಇದು ಜ್ಞಾನ ಭಂಡಾರದ ಆಲಯ,
ಪ್ರತಿಯೊಬ್ಬರು ತೋರಿಸುವರು ಅವರ ಕಲೆಯ,
ದಿನವೂ ನಾವು ತಿಳಿಯುವವು ಹೊಸ ವಿಷಯ,
ಗೆಲುವು ಸಾಧಿಸುವುದೇ ನಮ್ಮೆಲ್ಲರ ಆಶಯ,
ಪರೀಕ್ಷೆ ಎಂದರೆ ಹೋಗಲಿ ನಮ್ಮಿಂದ ಭಯ,
ಶ್ರದ್ಧೆಯಿಂದ ಕಲಿತರೆ ಸಿಗುವುದು ನಮಗೆ ಜಯ,
ಕಲಿಯಲು ನಮಗೆ ಇದುವೆ ಸುಸಮಯ,
ಕಲಿತು ಜಯಿಸಿದರೆ ಎಲ್ಲರಿಂದ ಸಿಗುವುದು ನಮಗೆ ಶುಭಾಷಯ.
